I will be exhibiting new original art in a two-person art show titled, "Music and Hands". I am collaborating with *Irma Montelongo* a *De Colores Art Show* exhibitor and a ceramist I have known for many years.

Irma will have new pieces of her unique "Madre" series, such as those pictured below as well as other new work. You have got to come and meet this woman. She is fun and hilarious, and you've got to hear that crazy laugh of hers. And her talent! The House of Brews is fun at Christmas time and it is more than just a coffee house. Come and have some coffee with us, *buy some affordable art* – remember **Christmas is just 28 days away!** The walls at the House of Brews will be lined with original art and unique ceramic pieces. Come join us and meet interesting people. So plan to visit during our artists' reception. I will be playing the harp for "Music and Hands".

**When:** Saturday, December 1, 7 to 10 pm

**Where:** The House of Brews, 231 N. Maclay Ave., San Fernando, CA 91340
